(in case i don't finish my big long goodbye post in time or the mods refuse it)

if anyone wants to keep talking after the end of the month- i can't tell you how here, of course, but darksea knows where to find me if you can get a message to her on another app

this place has meant a lot to me and i'll miss it. thank y'all so much for making this into such a great community.

Hello Eureka! Not sure if you remember me at all, it's been a while since I left most of the forums. Anyways, just wanted to say hello and that I'll miss seeing you! It was nice knowing you, even if it wasn't that long since I left. Anyways, hope you have a great life and I'll try and chat a bit if you want before the forums finally go.

Warning, I am extremely busy right now and it may take a day for me to respond or longer. But I will try and get on to do stuff at least every other day, but I may not be able to.

OH YEAH BY THE WAY !!!

IF YOU TALK TO DARKSEA AND WANT TO STAY IN TOUCH WITH ME USING THE INFORMATION SHE CAN TELL YOU:

tell me the code word "banana pancakes" just as a way to prove you're from the forums- i want to make sure i'm actually talking to the people i think i am
also please don't hesitate to contact me just because we weren't super great friends! i don't know how to find many of y'all outside this site so you've got to initiate the conversation lol
if we used to talk a lot but then kinda grew apart, or were decent friends but not great, you can still get in touch w/ me via darksea! i don't want to lose good relationships just cause of the limitations of this site and its tragic end

Aye, aye! Captain! Although I'm not a social media user, (Personal preference) I may have to eventually join stuff for my stories and whatnot, so I'll be around.

@Eureka: Thanks! And I'll remember that code word! I'm not sure if I'll ever know it's you outside of this site or see you again, but I'll hope. And you did some pretty awesome stuff on here as well! It's sad that it might end this way, but that's life I guess. But I'll try to keep on contact if there's another site that I see you on that I'm on!
@Legacy: Hello there, glad to see you as well! And don't worry about it!

@Eureka - I'm so sorry you have to go! I've always admired your humor and intelligence from afar, and I'm sad that I won't be able to see you ever again — you are truly an incredible person, and I wish that I had gotten to know you better (also I don't know how to contact Darksea off-site). Good luck in life!

It was real great to meet you, Eureka! We had some good times.

I know it's been a long time, but I'd just like to say thanks for everything that you've done. You're an awesome person, you know that? I hope we meet again someday, somewhere.

@Eureka - welcome! I see the video, but right now if I comment then you’ll see my IRL name ... I can probably change it, IDK how, but I’ll ask my dad. I don’t mind you seeing my name, honestly, but it also kind of compromises the anonymity of the forums and it might even be a piece of information you don’t want to see, so, heh

:D

also it took me a full two days to figure what yt meant
